

1. Flights, Baggage & En Route Logistics

- Questions to Ask:
 - Booking Process: airline choice and other details
 - Airport Transfers: both ways
 - Travel Day Meals: meal allowance is reimbursed?

2. Shipping & Moving Goods (Container vs. Baggage)

- Questions to Ask:
 - Clarification on Shipping: Is there any corporate shipping allowance for a sea/air container that isn't explicitly written here, or is my shipping strictly limited to the 2 extra bags (\$500 max) benefit?

3. Temporary Housing & Rental Car (First 30 Days)

- Questions to Ask - Housing:
 - Location:
 - Amenities: what all does the apartment include? high-speed Wi-Fi, parking, etc?
- Questions to Ask - Rental Car:
 - Insurance Coverage: Is comprehensive insurance (LDW/CDW) fully covered by eBay/Plus Relocation, or do I need to pay for insurance out of pocket?
 - Driver's License: Can I pick up the rental car using my Indian Driver's License + International Driving Permit (IDP), and how long can I drive on that before getting my US specific license?
 - Fuel: Are they reimbursable during these 30 days?

4. Destination Services (Housing Search & Location Strategy)

You get 1 day of area orientation/home search. You need to make this day incredibly efficient.

- Location:
 - Santana Row - An upscale, ultra-modern outdoor lifestyle district featuring trendy apartments built directly above luxury shops, high-end restaurants, and chic bars. Pros: Highly vibrant energy, top-tier security, and elite "step-outside-your-door" dining and nightlife. Cons: Highest rent prices in the South Bay; can feel crowded and a bit commercialized.
 - Downtown Campbell - A charming, highly walkable historic strip lined with local boutiques, cozy brunch spots, lively pubs, and a massive weekend farmers' market. Pros: Closest to eBay office, excellent local bar/food scene, very relaxed neighborhood vibe, and great community feel. Cons: Nightlife slows down a bit earlier on weekdays compared to a major city center.
 - mid-peninsula towns like Mountain View or Palo Alto
 - Customizing the 1-Day Search: Can we split the 1-day destination service into two half-days if needed, or must it be one continuous 8-hour block?

- Lease Assistance: Will the local destination agent help me review the US lease agreement paperwork to ensure there are no hidden fees or unfair clauses?

5. US Phone Number, Banking & Credit History

- Questions to Ask:
 - Corporate Perks: Does eBay or Plus Relocation have partnerships with major US banks (like Chase, Bank of America, or Wells Fargo) that waive initial setup hurdles or offer special credit cards for relocating employees?
 - Credit History Setup: Since I am moving from India, can Plus Relocation connect me with services like Nova Credit to transfer my Indian credit score history over to the US to help me get a credit card or apartment lease immediately?
 - SIM Card / Phone: Does eBay provide a corporate phone plan on day one, or should I use my \$3,000 allowance to set up a personal e-SIM (like T-Mobile, AT&T, or Verizon) as soon as I land?

6. The \$3,000 Miscellaneous Allowance

- Payout Timing:

7. Tax Services (Ernst & Young - EY)

Your move involves moving cross-border mid-year, meaning you will have tax liabilities in both India and the US.

- Questions to Ask:
 - Timeline: will EY reach out to schedule my departure interview in India?
 - Scope of Tax Return: Will EY handle both my partial-year Indian tax filing and my US Federal/California State tax returns for the year of transfer?
 - OCI/US Citizen Nuance: Ask EY specifically about reporting any existing Indian financial assets (like FCNR accounts, mutual funds, or PPF) under US FBAR and FATCA compliance rules once you become a US tax resident.

8. Medical assistance : do i talk to eBay folks or would you be able to help here as well?

1. Essential Documents & Identification (US Citizen + OCI)
